### **NEW/OLD BUSINESS:**

**ALCOHOL BAN IN PUBLIC BUILDINGS:** Attorney Williams researched the issue of drinking in publicly owned and publicly used buildings. His research centered around Attorney General opinions. It is the opinion of the Attorney General that the Village and the Fire Department would indeed be liable, especially during cases of fund raising events. A discussion took place about what constitutes a fund raising event versus a social one. The Auxiliary has researched getting their own liquor liability insurance policy that would be paid for by the Auxiliary and the Fire Company. Mayor Daly outlined the three options she feel exist: no alcohol in the building, no alcohol in the building except events overseen by the Auxiliary or no alcohol in the building at all after those all ready scheduled. Kay Bullock asked that the decision be held until they've had a chance to research the cost of a liquor liability policy. Motion was made by Trustee Bradstreet, second by Trustee Piccola to table the issue until May 17<sup>th</sup>. Vote, 3 ayes. CARRIED. Motion was made by Trustee Husk, second by Trustee Piccola to declare all Village buildings alcohol free with the exception of events scheduled by the Auxiliary in the Fire Hall Craft meeting room for the time being. Vote, 4 ayes. CARRIED.

**PROCUREMENT POLICY:** Tabled once again to allow Trustee Nolan to be present and offer his input and comments.

**SNOW REMOVAL:** Attorney Williams suggested that someone check with Canandaigua about the hows and logistics of enforcing their snow ordinance. Clerk Lynch will call the city manager to find out and report back.
