

Palmyra Pirate Weekend
Aug. 7-8, 2010
Palmyra, NY 14522

Dear Dealer:

We would like to invite you to participate in the demonstration and sales area during the 2010 Palmyra Pirate Weekend August 7-8, 2010.

Palmyra Pirate Weekend has been celebrated for the past 3 years. Each year, the crowds increase, the entertainment gets better, and the food tastes more delicious. A lively bed race down Main Street draws more crowds and participants each year. Museums, pirate entertainment, and canal boat rides are a few of the other activities that take place throughout this exciting weekend. The following information will explain details regarding the demonstration and sale registration and requirements.

Saturday, August – 7th 10:00 am to 6:00 pm
Sunday, August – 8th 10:00 am to 6:00 pm

Show goes on rain or shine

Space size: 10 ft. x 10 ft.

Space rental is \$25.00

\$10.00 additional if electricity is needed

There are three classes of booths:

- A. Craft and Demonstration Dealers: At least 85% of your crafts must be handmade items. No more than 15% of your display is allowed to contain mass-produced or “buy-sell” items. If it is determined that your display does not fall within the required ground rules or if your initial application does not represent what you actually display during the festival, **you will be asked to dismantle your booth and not participate.** Each booth is to have demonstrations of creation of the crafts being sold. Said demonstrations must be at a minimum of one demonstration per hour that the booth is in place. If you require electricity for demonstration purposes, please be advised that there is an additional fee for electricity use.
- B. Food Vendors: Vendors must provide a list of the foods to be sold during the weekend; it is our goal to have a variety of foods, not simply duplication. In this manner, food vendors should seek to provide unique food choices. To insure that there is not duplication, the committee reserves the right to request food vendors to substitute their choices for other unique choices. A Wayne County Department of Health certificate is required.
- C. Non-profit organizations: The weekend is for the benefit of the community; therefore booth spaces will be available for non-profit organizations to display information concerning their group and offer for sale items pertaining to their particular organization. Proof of non-profit status is required.
